DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. The application has been amended as follows: This application is in condition for allowance except for the presence of claims 12-20 directed to an invention non-elected without traverse. Accordingly, claims 12-20 been cancelled.

Allowance

3. Claims 1-11 are allowed.

Reason for Allowance

4. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest, singularly or in combination at least the limitation of "a diffusion preventing film formed directly on upper surfaces of the second low dielectric constant film and the second interconnection layer, without any hydrophilic insulation film between the second low dielectric constant film and the diffusion preventing film" as recited in claim as recited in claim 1 and the second major difference between the prior art and the claimed invention is the limitation of "an upper surface of the interconnection layer buffed in said another second inter-layer insulation film, without any hydrophilic insulation film between the second low dielectric constant film of
